## Title and Subject Index

### 1998 Almanac (January)

Year in Review: *Operations Worldwide*, 2; *Bosnia*, 4; *Force XXI*, 6; *Disaster Relief*, 8; *Sexual Harassment*, 10.

Facts and Figures: *Army Presence*, 12; *Active Army Divisions*, 14; *Guard and Reserve*, 16; *Situation Report*, 18; *Post Information*, 21; *Class A Uniforms*, 26; *1998 Calendar*, 28; *Major Equipment*, 30; *Major Commands*, 32; *Career Management Fields*, 37; *Army Ribbons*, 38.

*This is Our Army*: 40.

### Back Covers (Army Values)

*Duty: Chaplain (Maj.) Charles J. Watters*, Jun.

*Duty: Pvt. Paul J. Wiedorfer*, Dec.

*Honor: Sgt. Alvin C. York*, Aug.

*Integrity: Hugh C. Thompson Jr. and Lawrence Colburn:* May.

*Loyalty: Cpl. Hiroshi H. Miyamura*, Apr.

*Loyalty: SSgt. Ruben Rivers*, Nov.

*Personal Courage: SFC Sammy L. Davis*, Sep.

*Personal Courage: Sgt. Cornelius H. Charlton*, Feb.

*Respect: PFC Desmond Doss*, Jul.

*Selfless Service: Maj. Gordon R. Roberts*, Oct.

*Selfless Service: Mary Edwards Walker*, Mar.

### Pullouts

*1998 APFT Score Chart*, Feb 24. The new APFT standards.

*American Memorials and Overseas Military Cemeteries*, May 25. Maps and guides to sites maintained by the American Battle Monuments Commission.

*Army Earth Day*, Apr 24. Suggestions for protecting our natural resources while maintaining readiness.

*Celebrating the 223rd Army Birthday*, Jun 24. Photos from the Army's past.

*Comanche RAH-66*, Nov 24.

*Facts About Breast Cancer*, Mar 24. Data on risks, prevention and treatment.

*Getting Ahead*, Sep 24. A look at some career-enhancing steps NCOs can take to become more competitive with their peers.

*Improving Marksmanship*, Oct 24. Tips from USAMU's top shooters.

*National Guard Birthday*, Dec. 24. Reviewing the Guard's proud history.

*New Barracks Complex*, Feb 16a. Barracks improvements for single soldiers' quality of life.

*The No. 1 Killer of Soldiers*, Jul 24. A leader's guide to accident prevention.

### Career News and Issues

*ANCOC: The Framework for Senior NCOs*, Aug 2. The Advanced NCO course prepares soldiers for leadership positions at the platoon-sergeant level.

*BNCOC: The Next Link in the Chain*, Jul 2. The Basic NCO Course follows PLDC and is required for promotion to staff sergeant.

*Divers Wanted*, Feb 42. Interested in a career change? A life under water may be just what you're looking for.

*PLDC: A Foundation for Future NCOs*, Jun 2. The first of four courses in the Army's NCOES, PLDC trains soldiers to be team leaders and section sergeants.

*SMC: Reaching the Summit*, Sep 4. The Sergeants Major Course is where the best and the brightest face the final phase of the NCO Education System.

### Community Outreach

*A Bond of Compassion, Dec 22.* Hawaii-based soldiers maintain decades-old links to a Korean orphanage.

*A Chicago Cleanup*, Apr 23. Army Engineers help clean up an Illinois site contaminated by a toxic chemical.

*Army Goes Back to School*, Sep 22. The success schools are having in teaching computer skills may prompt the Army to adopt similar programs.

*Bear's-Eye View*, Sep 30. A furry ambassador spreads goodwill for the Army while seeing the world.

*Dogs for the Disabled*, Jul 28. A Fort Knox program provides canine companions for people living with disabilities.

*Hands Off That Wheel!*, Mar 33. Soldiers demonstrate a new automobile-control technology.

*If Only for a Day*, Apr 31. Soldiers bring happiness to a Romanian orphanage.

*Mud Mania*, Oct 44. Kansas City, Mo., recruiters take part in an all-day mud fest aimed at keeping kids off drugs and out of youth gangs.

*SMARTS for Better Hospitals*, Sep 40. Special Medical Augmentation Response Teams assess hospitals around the world.

*The Army's Response*, Mar 8. Soldiers provided relief when a five-day storm battered the Northeast.

### Family & Quality of Life Issues

*Animals — Making a Mark on the Military*, Jul 32. The Army is a leader in using pets to help people deal with illness, incapacity and grief.

*DOD Schools: Making Kids Stronger*, Sep 18. The Department of Defense is ensuring that children of military families receive a first-rate education.

*Fort Carson: Best Army Post*, Jun 16. The "Mountain Post" wins the top Army Communities of Excellence award.

*Holiday Money Guide*, Sep 32. A guide to avoiding financial difficulties associated with holiday travel and purchases.

*Service Dogs — Redefining Disabilities*, Jul 30. Man's best friend takes on new tasks to better help humans in need.

### Fitness and Sports

*1998 Sports Tournaments*, Feb 40. A list of armed forces tournaments and national championships.

*Army 10-Miler: Still Growing*, Aug 30. This annual event has been named by Runner's World as one of the country's 100 best races.

*Army Athletics*, Feb 48. The Army's top male and female athletes and Olympic contenders.

*Army Wins Pistol Titles*, Oct 41. The U.S. Army pistol team wins both the Interservice and national championships for the first time in 19 years.

*Focusing on Success*, Apr 6. Peak-performance psychology and study skills help West Point cadets focus on success.

*Improving Your APFT Score*, Aug 28. A guide to improving your performance.

*No Stroll in the Desert*, Feb 28. The Bataan Memorial March at White Sands Missile Range, N.M., pits contestants against the desert and themselves.

*The New 1998 APFT Standards*, Feb 5. How the new standards were developed and what they mean for soldiers.

*Training for the APFT*, Feb 8. By training intelligently now, soldiers can improve performance in the new APFT.

*USMA Mentors: Helping Players Succeed*, Sep 28. A program at the U.S. Military Academy helps cadets maintain academic standards and continue to play football.

### Guard and Reserve

*A Blast at the Past*, Oct 30. For the second time in 185 years, Pennsylvania Army National Guard members have come to the aid of the U.S. brig *Niagara*.

*Campus for Climbers*, Mar 41. Vermont's Mountain Warfare School trains military mountaineers.

*Confronting El Niño*, May 36. California National Guard members helped their state cope with damage caused by the huge weather system.

*Guarding a Lesser-known Border*, May 20. Soldiers stand watch on the frontier between Serbia and Macedonia.

*Mission to Honduras*, Jul 44. Army aviators, doctors and an odd-looking airplane bring aid to Central America.

*One Tough Summer School*, Sep 44. Oregon National Guard soldiers brush up on their infantry skills in the Louisiana heat.

*Successful From the Start*, Jun 28. The first National Guard infantry unit to deploy overseas since Vietnam makes the grade.

*United States Army Reserve: 90 Years of Service*, Apr 2. The U.S. Army Reserve celebrated its 90th anniversary April 23rd.

### Health and Safety

*Anthrax Update*, Sep 16. Between now and 2003, soldiers will begin receiving the six-shot series of anthrax vaccinations.

*Excellence in Army Medicine*, Mar 2. The Army's surgeon general shares his thoughts on Army health care and the dedication of those who provide it.

*Informing Breast Cancer Patients*, Mar 22. Walter Reed Army Medical Center's Breast Care Program ensures that patients receive the best possible treatment.

*Low Fat: Here's the Skinny*, Aug 7. Tips for beating obesity, cancer and heart disease by reducing fat in your diet.

*Manage Your Driving Risks*, Dec. 31. Tips on winter driving safety.

*Sealing Out Decay*, Jun 19. Dental sealants can prevent cavities.

*Vitamins and You*, Aug 8. A guide to the nutritional supplements that will best help you achieve your fitness goals.

### History and Tradition

*A Half-Century of Solemn Duty*, Apr 41. A special reunion of soldiers who have earned the Tomb Guard Badge.

*A History Recovered*, Feb 16. An important, revealing and long-overlooked aspect of American military history is finally coming to light.

*A Tribute to Women Who Serve*, Mar 38. A new monument honors those women who've answered the nation's call.

*An Era Ends*, Jul 18. An important chapter in the history of the U.S. Soldiers' and Airmen's Home ended with the deaths of the home's last World War I veterans.

*Dressing the "Long Gray Line,"* May 44. West Point's Cadet Uniform Factory has kept cadets looking sharp since 1876.

*Fort Carson's Tribal Past*, Nov 30. An oral history project brings the past to life for descendants of American Indian tribes that once lived near this historic post.

*Payday, Then and Now*, Apr 16. Technology has eliminated the inefficiency that once plagued military pay operations.

*The "Splendid Little War,"* Jul 20. The Spanish-American War turned the Army into an international force.

*Triple Nickel: An Airborne Legacy*, Feb 18. Veterans of the Army's first all-black airborne unit keep alive the spirit of that pioneering organization.

### Leadership Issues

*Building Better Leaders*, Mar 28. The U.S. Military Academy and national business leaders host a conference on ethics.

*Mentors & Shapers*, Mar 16. It's not easy to turn civilians into soldiers and soldiers into drill sergeants, but it happens all the time at Sand Hill.

*My Message to Soldiers*, Feb 2. SMA Robert E. Hall shares his thoughts, insights and beliefs, and outlines his view of the Army's past and future.

*Nurturing Army Ethics*, Mar 30. A look at the U.S. Military Academy's ethics training and the cadets' honor code.

*The New Drill*, Mar 16. Drill sergeants are expected to teach, guide and mentor, and to shape civilians into soldiers.

### Missions

*A Final Port Call*, Feb 30. Oakland Army Base's 55 years of service ended with the *American Falcon's* last departure.

*A New Response to Crisis*, Dec 10. The Alaska-based 172nd Inf. takes on a new role.

*After the Fire*, Aug 16. The U.S. Army Burn Center at Brooke Army Medical Center helps soldiers rebuild lives devastated by fire and pain.

*Avoiding the Big Bang*, Nov 48. EOD experts are helping to clean up a little-known World War II storage site near Hope, Ark.

*Bottom Time*, Feb 41. Army divers may live near the beach and wear shorts to work, but their job is demanding and anything but glamorous.

*Bushels of Bullets*, Nov 44. Lake City Army Ammunition Plant — the only facility of its kind within DOD — turns out some 340 million rounds a year.

*Capital Vet Techs*, Oct 6. Animal care and food inspection are both part of the mission for the Army's National Capital Veterinary Command.

*Commander's View*, Nov 38. The U.S. Army Materiel Command's Gen. Johnnie E. Wilson talks about the future of logistics.

*Digital Diagnosis*, Mar 7. Radiologists at Brooke Army Medical Center are helping to develop a computer system that may change the face of medicine.

*Finding the Unforgotten*, Oct 38. Nine American servicemen missing since World War II might now be accounted for, thanks to soldiers in Germany, Hawaii and Virginia.

*Home of the Big Guns*, Nov 42. America's premier cannon-manufacturing center since 1890, Watervliet Arsenal continues to build the big guns.

*Introducing the Industrial Operations Command*, Nov 40. Headquartered at Rock Island Arsenal, Ill., IOC is spread across 28 states and 11 countries.

*Learning the Language*, Aug 20. The Foreign Language Training Center, Europe, in Germany, draws students from throughout the military services.

*Moving Munitions: Turbo CADS*, Aug 38. Military Traffic Management Command employees volunteered to help return 900 containers of munitions to the United States from Saudi Arabia.

*On the Cutting Edge of Space*, May 9. With its 1997 name change and reorganization, the U.S. Army Space and Missile Defense Command took on new missions.

*One-Stop Missile Shop*, Nov 46. Letterkenney Army Depot covers all the bases when it comes to maintaining, testing, upgrading, storing and demilitarizing DOD's missile systems.

*Putting the Best Force Forward*, Dec 45. Soldiers participating in the Rapid Force Projection Initiative are helping to shape the Army of the future.

*Recruiting the Recruiters*, Apr 28. Ever wonder how the Army finds its recruiters? Here's the lowdown.

*Soldiers in Scrubs*, May 31. In hospital operating rooms Armywide, OR technicians are a key part of the team.

*Soldiers in Sinai*, Aug 42. American troops help preserve peace in the Middle East as part of the Sinai, Egypt-based Multinational Force and Observers.

*Sparking an Interest in Space*, May 6. The Army is playing an increasingly vital role in space as the final frontier becomes the new high ground for military strategists.

*Tale of the Talon*, May 46. While this publication's look has changed, its commitment to the troops remains constant.

*The Army's Best Advertisement*, Nov 28. The Hometown Recruiter-Assistant Program lets new soldiers tell the Army story.

*The Unsung Heroes of NTC*, Sep 46 National Training Center's OPFOR mechanics keep the unit's Sheridans in the fight.

*Training the Mine Hunters*, Oct 2. Soldiers deployed to Laos support one of the world's most ambitious humanitarian

### Leadership Issues

*Building Better Leaders*, Mar 28. The U.S. Military Academy and national business leaders host a conference on ethics.

*Mentors & Shapers*, Mar 16. It's not easy to turn civilians into soldiers and soldiers into drill sergeants, but it happens all the time at Sand Hill.

*My Message to Soldiers*, Feb 2. SMA Robert E. Hall shares his thoughts, insights and beliefs, and outlines his view of the Army's past and future.

*Nurturing Army Ethics*, Mar 30. A look at the U.S. Military Academy's ethics training and the cadets' honor code.

*The New Drill*, Mar 16. Drill sergeants are expected to teach, guide and mentor, and to shape civilians into soldiers.

### Missions

*A Final Port Call*, Feb 30. Oakland Army Base's 55 years of service ended with the *American Falcon's* last departure.

*A New Response to Crisis*, Dec 10. The Alaska-based 172nd Inf. takes on a new role.

*After the Fire*, Aug 16. The U.S. Army Burn Center at Brooke Army Medical Center helps soldiers rebuild lives devastated by fire and pain.

*Avoiding the Big Bang*, Nov 48. EOD experts are helping to clean up a little-known World War II storage site near Hope, Ark.

*Bottom Time*, Feb 41. Army divers may live near the beach and wear shorts to work, but their job is demanding and anything but glamorous.

*Bushels of Bullets*, Nov 44. Lake City Army Ammunition Plant — the only facility of its kind within DOD — turns out some 340 million rounds a year.

*Capital Vet Techs*, Oct 6. Animal care and food inspection are both part of the mission for the Army's National Capital Veterinary Command.

*Commander's View*, Nov 38. The U.S. Army Materiel Command's Gen. Johnnie E. Wilson talks about the future of logistics.

*Digital Diagnosis*, Mar 7. Radiologists at Brooke Army Medical Center are helping to develop a computer system that may change the face of medicine.

*Finding the Unforgotten*, Oct 38. Nine American servicemen missing since World War II might now be accounted for, thanks to soldiers in Germany, Hawaii and Virginia.

*Home of the Big Guns*, Nov 42. America's premier cannon-manufacturing center since 1890, Watervliet Arsenal continues to build the big guns.

*Introducing the Industrial Operations Command*, Nov 40. Headquartered at Rock Island Arsenal, Ill., IOC is spread across 28 states and 11 countries.

*Learning the Language*, Aug 20. The Foreign Language Training Center, Europe, in Germany, draws students from throughout the military services.

*Moving Munitions: Turbo CADS*, Aug 38. Military Traffic Management Command employees volunteered to help return 900 containers of munitions to the United States from Saudi Arabia.

*On the Cutting Edge of Space*, May 9. With its 1997 name change and reorganization, the U.S. Army Space and Missile Defense Command took on new missions.

*One-Stop Missile Shop*, Nov 46. Letterkenney Army Depot covers all the bases when it comes to maintaining, testing, upgrading, storing and demilitarizing DOD's missile systems.

*Putting the Best Force Forward*, Dec 45. Soldiers participating in the Rapid Force Projection Initiative are helping to shape the Army of the future.

*Recruiting the Recruiters*, Apr 28. Ever wonder how the Army finds its recruiters? Here's the lowdown.

*Soldiers in Scrubs*, May 31. In hospital operating rooms Armywide, OR technicians are a key part of the team.

*Soldiers in Sinai*, Aug 42. American troops help preserve peace in the Middle East as part of the Sinai, Egypt-based Multinational Force and Observers.

*Sparking an Interest in Space*, May 6. The Army is playing an increasingly vital role in space as the final frontier becomes the new high ground for military strategists.

*Tale of the Talon*, May 46. While this publication's look has changed, its commitment to the troops remains constant.

*The Army's Best Advertisement*, Nov 28. The Hometown Recruiter-Assistant Program lets new soldiers tell the Army story.

*The Unsung Heroes of NTC*, Sep 46 National Training Center's OPFOR mechanics keep the unit's Sheridans in the fight.

*Training the Mine Hunters*, Oct 2. Soldiers deployed to Laos support one of the world's most ambitious humanitarian

demining operations.

*Trauma Team*, Mar 4. The Army's only level-one trauma center, Brooke AMC in San Antonio, treats more than 1,000 trauma patients a year.

*Work and Play, Alaska Style*, Dec 2. What it's like to soldier and live in the 49th state.

*Validating the "Enemy,"* Dec 41. A TRADOC validation team ensures the Army's opposing forces present realistic threats.

### Off Duty

*A Journey to Juist*, Jun 48. Germans say this North Sea island has the "world's prettiest seashore."

*Discovering Fort Discovery*, Apr 38. An innovative, hands-on science center near Fort Gordon, Ga., entertains and educates visitors of all ages.

*Fantastic Fehnroute*, Apr 44. Canals, windmills and the smell of the sea greet visitors to one of Germany's lesser known regions.

*Korea's Emerald Isle*, Jun 20. Off Korea's southern coast lies an island retreat

*Paradise South*, Oct 46. The broad beaches and famous boulevards of Key West provide a perfect vacation spot.

*The Soldier Show Story*, Jun 22. This year marks the 80th anniversary of one of the most popular military talent shows.

### People

*Art from the Heart*, Feb 20. When drill sergeant and artist SSgt. Charles King draws, he's just "after the truth."

*Honoring His Protector*, Feb 22. Everett G. Andrews returned to Korea to help honor the man who risked all to hide the American from his foes.

*Not for Men Only*, Feb 44. Army diving is open to all who can meet its exacting standards.

*Postcards from Kuwait*, Jul 8. Pieces of MRE boxes became letters home for inventive 3rd Inf. Div. soldiers.

*This is Our Army, Too*, Feb 36. More than 1,500 photos were submitted for January's "This is Our Army" feature; here are a few more of the best.

### Reshaping the Army

*A Commander's Views on Space*, May 12. Lt. Gen. Edward G. Anderson III shares his views on his new command and its missions.

*Army Secretary Louis Caldera*, Sep 2. The 17th secretary of the Army talks about the state of the force, the direction in which the Army will be moving and the importance of putting soldiers first.

*Auf Wiedersehen Augsburg*, Nov 21. Soldiers, family members and locals witnessed the end of an era when one of the last American installations in the city closed.

*Closing Bases, Opening Doors*, Nov 16. After a decade of shedding excess infrastructure, the Army and DOD are starting to see the upside of BRAC.

*Improving Soldier Systems*, Oct 16. The U.S. Army Soldier Systems Center in Natick, Mass., provides soldiers with everything they need to sustain themselves in the field.

*The New Army Division*, Aug 22. The Army has announced the design for a new, smaller division that will be the most lethal combat force in the world.

### Technology

*An Eye in the Sky*, Jul 48. Remotely piloted aircraft are changing the way the Army gathers tactical intelligence.

*Comanche is Coming*, Nov 22. Now undergoing flight testing, the RAH-66 Comanche is moving closer to active duty.

*Demonstrating New Technologies*, May 8. Developers of high-tech, space-related systems recently took their wares to the first Army Space Conference.

*Disarming the Y2K Bomb*, Jun 44. Scientists are ensuring the year 2000 won't bring any nasty surprises for our digital Army.

*F/X for Urban Warfare*, Jun 7. Hollywood-style special effects make Fort Knox's new MOUT center for armored units a genuine blockbuster.

*Materials Masters*, Mar 45. The Army's Rodman Materials Research Laboratory has been reshaping the science of fibers technology since the 1970s.

*New Stuff for Soldiers*, Mar 36. The Soldier Enhancement Program gets equipment into the hands of those who need it.

*Robots on Patrol*, Sep 38. Robots may soon provide security in Army warehouses, offices, hospitals and storage areas.

*Tailored to Protect*, Oct 21. Scientists and technicians at Dugway Proving Ground test new materials to protect soldiers against chemical and biological agents.

*The Army's Space Technologies*, May 11. The Army's use of space systems may soon produce an impact as great as the change from horses to motor vehicles.

### Training

*A Classroom Called "The Land,"* Apr 20. Soldiers at Hohenfels Training Area, Germany, train in a lush and realistic environment, thanks to an innovative Army land-management program.

*Ardent Ground '98*, Dec 48. Italy-based U.S. airborne troops train in England.

*Battle for Bragg Island*, May 48. Exercise Purple Dragon sparked five days of "firefights" on this fictional tropic isle.

*Delayed But Determined*, May 52. Puerto Rico is a great place to spend some time, unless you're an artilleryman temporarily without artillery.

*Learning to SOAR*, Dec 28. The 160th Special Operations Aviation Regiment only accepts the best soldiers.

*Marne Division Responds*, Jul 7. A crisis in the Middle East brought 3rd Inf. Div. troops to Kuwait.

*Medics Earn the Badge*, Jun 46. It was a test of knowledge and endurance when 25th Inf. Div. medics tried for the EFMB.

*Military Mountaineering*, Dec 12. The Northern Warfare Training Center turns soldiers into mountaineers.

*Mountain Moves*, Aug 40. Members of the Fort Bragg-based Co. B, 2nd Bn., 7th Special Forces Grp., practiced their mountain-climbing skills on Moore's Wall.

*NCOs on Campus*, Nov 6. Soldiers assigned to ROTC duty draw on a range of skills to perform one of the Army's most critical training missions.

*Northern Edge '98*, Jul 38. Unusually warm winter temperatures eased conditions for soldiers, sailors, airmen, marines and Coast Guard members on exercise in Alaska.

*Orient Shield '98*, Jul 16. Hawaii-based 25th Inf. Div. soldiers traded training techniques with Japanese troops during this annual exercise.

*OSUT: It All Happens Here*, Jul 40. Fort Knox's One Station Unit training program consolidates basic and AIT for prospective armor crewmen.

*Purple Dragon*, May 2. Months of planning, $12 million and more than 33,000 service members made JTF Exercise 98-1 a success.

*Rangers Return to Basics*, Oct 26. The jungles of Panama provided a host of new training challenges for soldiers of the 3rd Bn., 75th Ranger Regt.

*Role Playing for Bosnia*, Mar 20. The CONUS Replacement Center reinforces the skills Balkans-bound soldiers need if they are to remain both effective and safe.

*The Art of Invisibility*, Nov 2. Camouflage has long been an essential military skill, and today's soldiers need to know how to blend in to survive.

*The Spirit of the Bayonet*, Nov 32. Even in the age of high-tech weapons, soldiers need to hone their trench-line skills.

*Underwater Training*, Feb 46. Prospective Army divers endure 20 weeks of intense physical and academic preparation.

### Writing & Photography Tips

*Getting the Shot*, Jun 41. Here is the bottom line on taking good photos.

*The Write Stuff*, Jun 39. Getting published in *SOLDIERS* isn't hard if you follow a few basic rules.
